Our Alma Mater

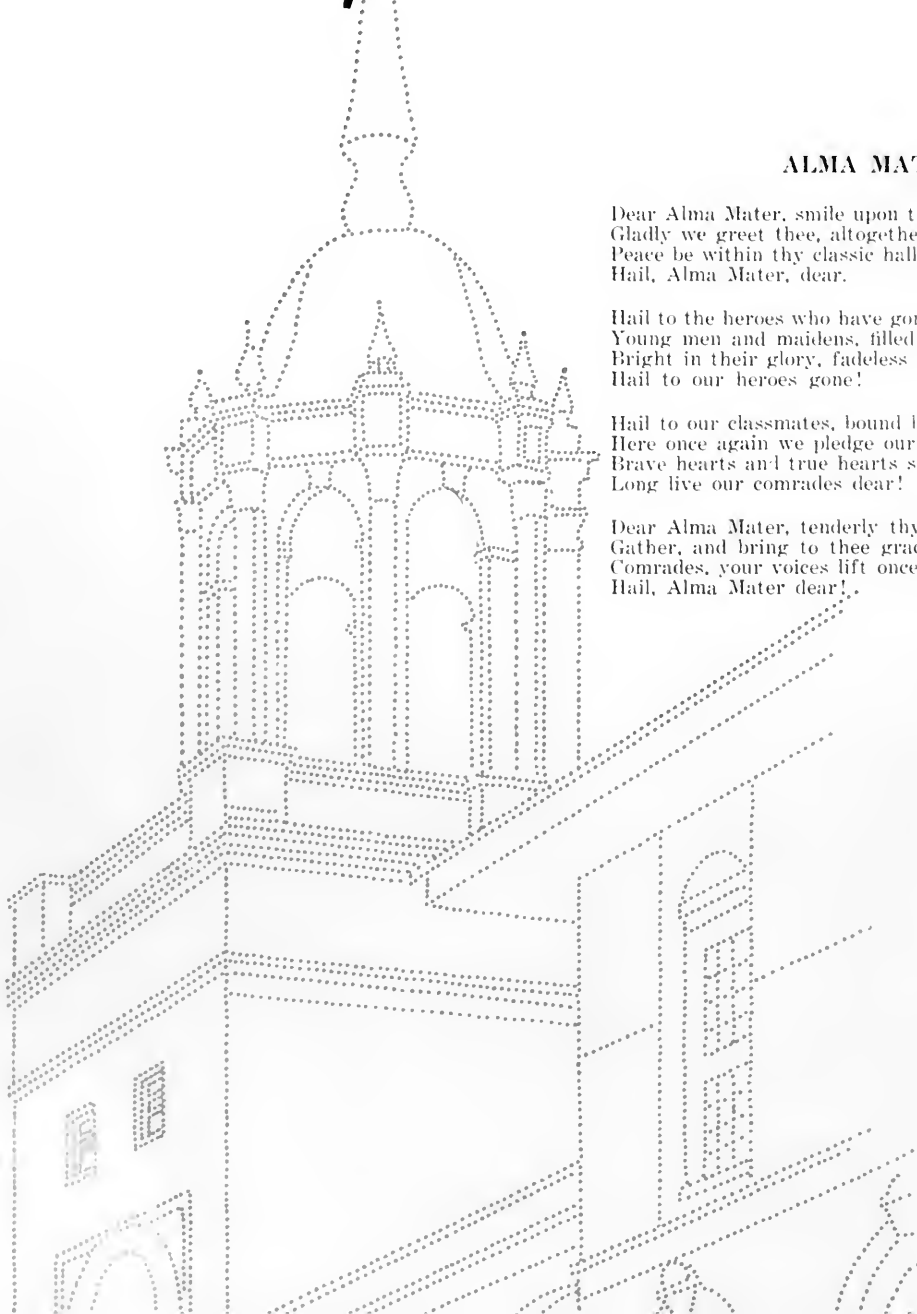

ALMA MATER

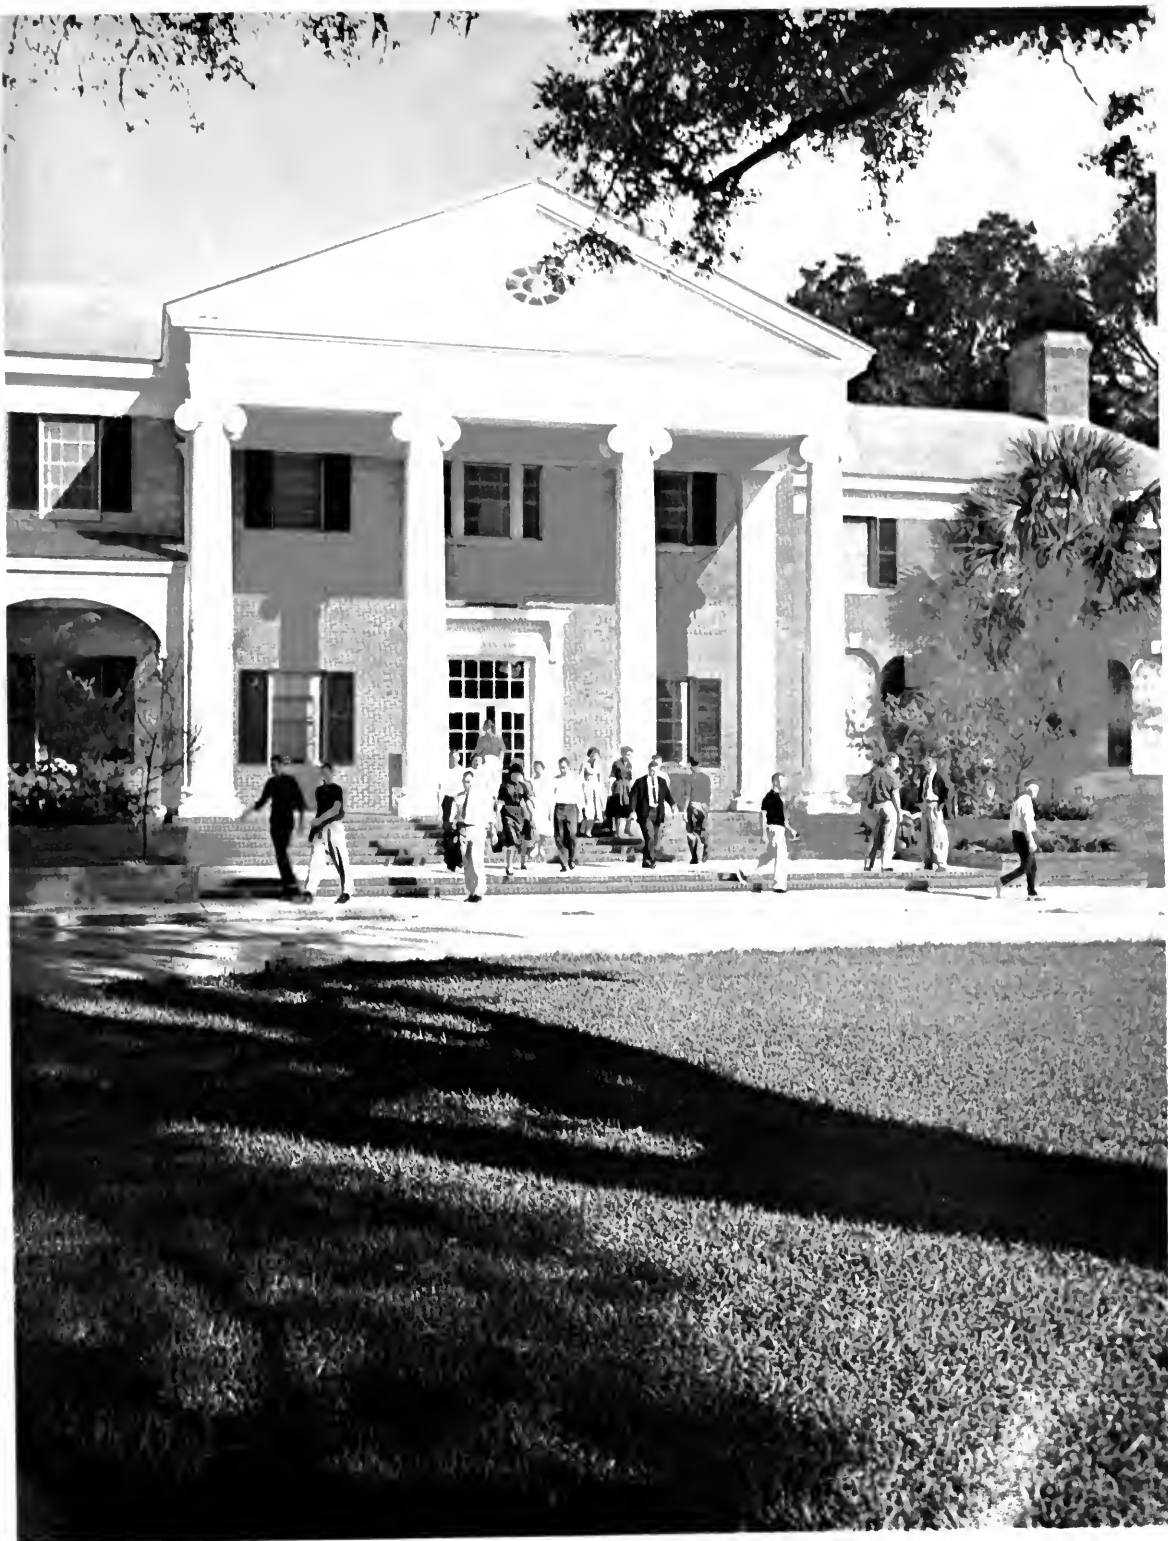

Dear Alma Mater, smile upon thy children!
Gladly we greet thee, altogether lovely;
Peace be within thy classic halls and temples,
Hail, Alma Mater, dear.

Hail to the heroes who have gone before us,
Young men and maidens, filled with true devotion!
Bright in their glory, fadeless and undying,
Hail to our heroes gone!

Hail to our classmates, bound by ties ne'er broken;
Here once again we pledge our vows of friendship;
Brave hearts and true hearts sound aloud the chorus,
Long live our comrades dear!

Dear Alma Mater, tenderly thy children
Gather, and bring to thee gracious salutations;
Comrades, your voices lift once again in chorus,
Hail, Alma Mater dear!

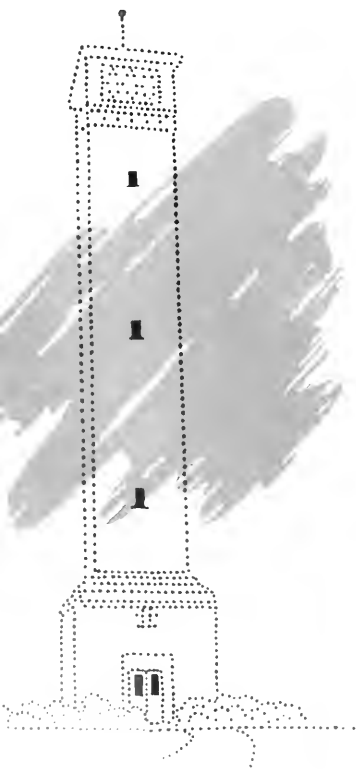

Dear Alma Mater

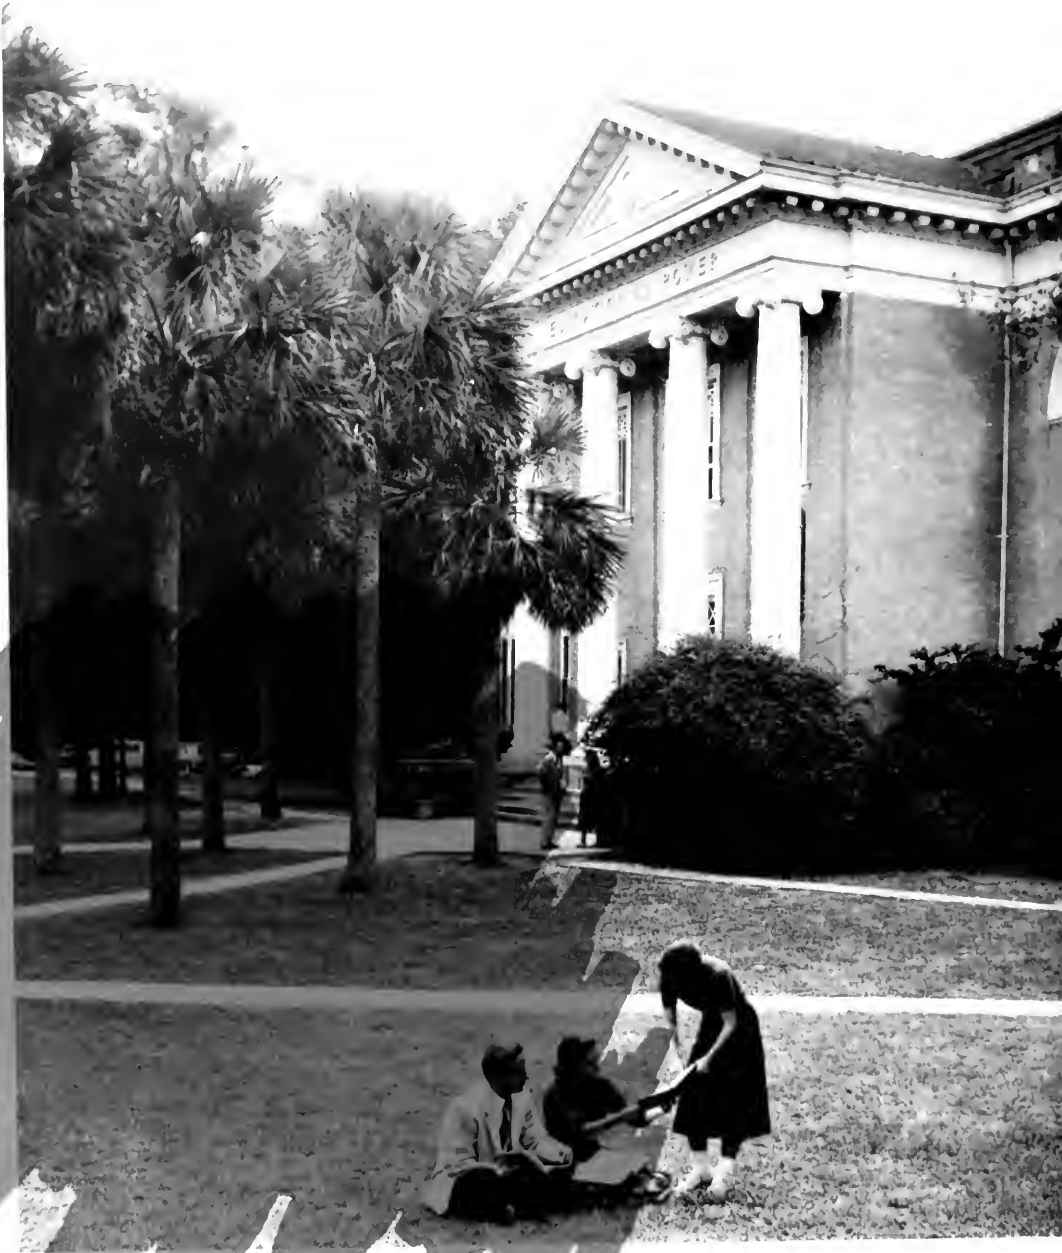

SMILE UPON THY CHILDREN!

GLADLY WE GREET THEE, ALTOGETHER LOVELY;

Hail to the Heroes WHO HAVE GONE BEFORE US,
YOUNG MEN AND MAIDENS, FILLED WITH TRUE DEVOTION!

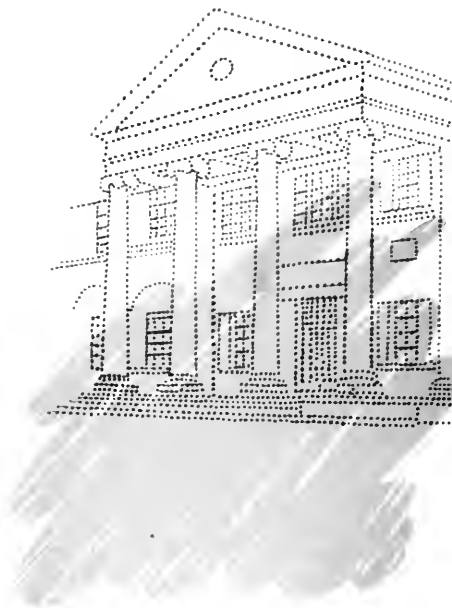

BRIGHT IN THEIR GLORY, FADELESS AND
UNDYING, HAIL TO OUR HEROES GONE!

Hail to Our

Classmates BOUND BY TIES NE'ER BROKEN . . .

HERE ONCE AGAIN WE PLEDGE OUR VOWS OF FRIENDSHIP;

BRAVE HEARTS AND TRUE HEARTS
SOUND ALOUD THE CHORUS...

. . . LONG LIVE OUR COMRADES DEAR!

Dear Alma Mater TENDERLY THY CHILDREN

GATHER, AND BRING TO THEE GRACIOUS SALUTATIONS;

COMRADES, YOUR VOICES LIFT ONCE AGAIN IN CHORUS.

HAIL, ALMA MATER DEAR!

THIS BOOK IS

Dedicated To

Warren C. "Brady" Cowell — teacher, leader, administrator, and friends — who has served Stetson, its students, faculty, and alumni unselfishly and tirelessly for twenty-five years as an athletic coach and Director of Athletics. He is one of the most respected and best loved sports figures in Florida; his relations with those concerned with Stetson have won for him the admiration and respect of everyone with whom he has come in contact.

His efforts and influence have made high achievements in life possible for many. He possesses a great heart, loves youth and believes in the joy and worth of a good life.

To express the gratitude, love, and respect for one who has given so much and asked so little in return, we humbly dedicate the 1960 Hatter to W. C. Cowell.

UNIVERSITY

Dear Alma Mater, smile upon
Thy Children!
Gladly we greet thee,
Altogether lovely.

The President

J. OLLIE EDMUNDS

THE PRESIDENTS MESSAGE

To the Members of the Stetson Family, Everywhere:

Stetson's Diamond Jubilee Celebration was more than an historical observance; it was a time for all of us to re-examine the aims and purposes of this oldest University in Florida.

Stetson was not alone in this soul-searching. As the world entered the space age, many other liberal arts colleges in America were taking fresh looks at their aims also. The suggestion that America copy the Russian educational pattern became so serious that the Association of American Colleges chose for its 1960 theme: "Can the liberal arts college in America survive?"

The year 1960 found the helmsman at Stetson (her faculty) in a dead-earnest job of self-examination. It was no easy task, as these Christian scholars attempted to restate the aims and purposes of this small, southern, church-related University, dedicated to academic

excellence but grounded in a deep religious faith. But even as they sought answers to hard questions, these supremely dedicated teachers set a fine example for all other friends of Stetson. They gave generously (and, in some instances, sacrificially) to our Seventy-Fifth Anniversary Fund. And all over Florida, alumni and other friends of Christian Education are following the example of these concerned Christian scholars.

In their name, and on behalf of the Trustees and all the students, I send cordial greetings to Stetson alumni, parents, and benefactors everywhere. I remind all of you, in the words of Christopher Fry:

"The enterprise in exploration unto

God, where no nation's foot has ever trodden yet."

Faithfully yours,
J. Ollie Edmunds,
President

SCHOOL OF LIBERAL ARTS

The College of Liberal Arts is the oldest and largest of the four university colleges. Elizabeth Hall, Flagler Science Hall, and Holmes Hall comprise the classroom area. While attending Stetson, every student comes in contact with the Liberal Arts School. It is the core of the education of every student, from the business student to the music or law major. The Liberal Arts prepare students to enter the world, to earn gainful employment, and instills them with a permanent love and appreciation of the arts, letters and sciences which surround us. This in itself gives an added enjoyment and enrichment to our lives.

EDWARD COLSON FURLONG, JR.
Dean of the School of Business

The School of Business was established in 1910. It is housed in its own building on main campus. The college graduate entering business without special preparation suffers a handicap; similarly one who confines his study to business is handicapped. The program of the School of Business, therefore, is a combination of academic and business subjects. The Faculty endeavors to cultivate in students those qualities of mind and character that will make useful citizens with high ideals of business morality and social responsibility. Students are encouraged to acquire a clear understanding of modern industrial society and of their responsibilities and opportunities in it.

DONALD CHARLES YANLEY

Executive Secretary of the Faculty of the Music School

The Stetson University School of Music was founded in 1934 and is now a member of the National Association of Schools of Music. The well rounded curriculum prepares students for teaching in the public schools and the directing of church music. The school also includes a preparatory department for children and for students whose previous training has been insufficient. Music activities are centered around DeLand Hall, Annex and the Band Hall. All recitals and special music activities take place in the chapel in Elizabeth Hall. The recently revised music library, including scores, books and recordings, greatly supplements the music literature collection of the University Library.

THE LAW SCHOOL

Hail to the heroes who have gone be-
fore us

Young men and maidens filled with
true devotion!

Bright in their glory, fadeless and un-
dying

Hail to our heroes gone

The Golden Tower is a replica of the centuries old "Torre del Oro" in Seville.

Massive covered arcades and fountains done in old tiles highlight the early Spanish architecture.

Equally striking is "The Granary," also copied after a famous building in Spain.

Stetson Law School students have various activities after a hard day in the classroom.

The nearby golf course offers a diversion to our athletic-minded scholars, as does the swimming pool located on the campus.

Others find relaxation by merely talking or lounging in the student lounge, the hall, or the dorms.

Moot Court

Invocation at the Gold Tower

One of Stetson's able faculty is shown lecturing his class.

A honorary luncheon is served in Stetson's Cafeteria.

THE CLASSES

"Hail to our classmates,
Bound by ties ne'er broken";

The unity that the classes of 1959-60 have maintained is one that can be achieved only on a campus such as Stetson. Our classes have shared many memorable moments—thrilling soccer victories, the Green Feather Carnival, Homecoming Celebration. They have been a part of Stetson's never-ending expansion program, facilitated by the Six-Million-Dollar Fund Drive. They eagerly anticipate the building of a new library, science building, fine arts center, and music hall that these funds will provide. Plans are being formulated for the return of football to Stetson's campus. Encouraged by rich tradition and present prosperity, the students strive to fulfill the future's expectations.

THE GREEKS

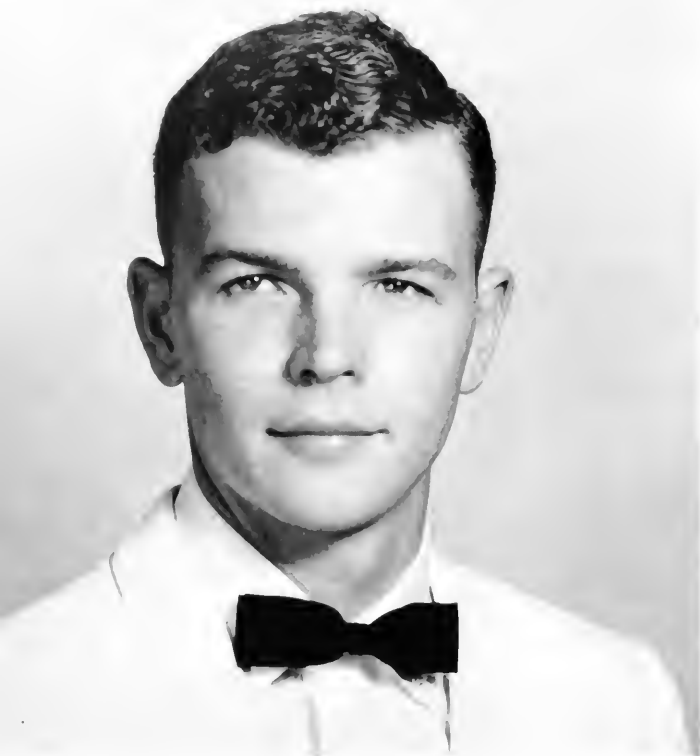

Here once again we pledge our vows of friendship;

Greek organizations are an integral, yet outstanding part of life in Stetson's campus.

The twelve social sororities and fraternities bring about closer relationships and life-long friendships among students, encourage academic and extra-curricular activities, and loyally support all campus functions.

Delta Sigma Phi

Delta Sigma Phi was founded in 1899 at the College of the City of New York. Since that time it has grown to be one of the largest national fraternities, with over 100 chapters and 32,000 brothers in the bond of Spinx. The local chapter, Alpha Chi, was installed at Stetson in 1925. The chapter had been local since 1881. Dr. J. Ollie Edmunds, president of the University, was charter president of the chapter.

The chapter conducts such annual affairs as: the Christmas party for fifty underprivileged children; Honki Tonk party; and "The Sailor's Ball." "The Sailor's Ball" originated at Stetson during the depression and has since been adopted as the official weekend for all chapters of the fraternity.

The Delta Sigs, while a social fraternity—all for

one, one for all, and all for fun—add much to campus life and the brothers hold many honors. Brother Strowbridge served on the Staff of the R.O.T.C. Battle Group while L'Heureux served as president of I.F.C. Joe Dodge served as president of Stetson Union Board and John Adams was president of Phi Society and Vice-President of Men's Council. Many of the brothers also participated in varsity sports on campus.

The brothers of the Green and White take pride in their honors. They strive constantly to improve our scholastic averages.

Faculty members of Delta Sigma Phi include Dr. A. M. Winchester, James D. Perdue, and Donald C. Yaxley.

Lambda Chi Alpha

Lambda Chi Alpha, founded at Boston University on November 2, 1909, is the largest of national and international fraternities. The local chapter, Zeta Tau, was founded on the Stetson campus in April of 1949.

Purple, green and gold are the Fraternity's colors, and our flower is a white rose. The chapter has a housemother, Mrs. Dorothy Sturgeum, and two faculty advisors, Professor Elkins and Professor Giles, of whom the fraternity recognizes and appreciates their great time and devotion to the men of Lambda Chi Alpha.

Among the outstanding men of Lambda Chi on campus are our President, Duane Doddington. Duane, past Vice-President of the Chapter, is also Treasurer of the Student Government Association, Assistant Editor of the Hatter, Senior Resident Advisor, Vice-President of the Junior Class, and the Sponsoring Chairman of Stetson's first Greek Week this past Spring.

Other outstanding men include Bob Hickey, Vice-President of the I.F.C., and a member of Men's Council, Chuck Handte, Secretary of the I.F.C., and John Davis is Chairman of the Junior ODK, Green Circle.

Fall elections saw Jay Starling, a Lambda Chi pledge, capture the Freshman Class Presidency. This marks the 3rd straight year a Lambda Chi has held

this honor; Tom Fay, Freshman, and Jim Sloan, Sophomore, are the new Treasurers of their classes. Wayne Hagan and Fred Conell represent the chapter on the Stetson Baseball Team, while brothers Charles Harrison and John Upchurch are members of the Stetson Track team. Bert Humphries is the University Intramural Manager.

We are well represented in Canterbury Club, the B.S.U., Wesley Foundation, and other campus affiliated religious organizations. Leadership here includes John Thompson, President of the Student Christian Association and President of Canterbury Club. Pledge Frank Chaplin is President of the Christian Church.

Lambda Chi also takes a lead in Student Publications with pledge John Tate, Business Manager of the Stetson Reporter. Music leaders include Loys Jordan, Vice-President of the Music Educators of America Association.

For scholarship, Lambda Chi has adopted a very fine study hall system in order to maintain a high standard on our campus. Annual affairs of the chapter are a Christmas and also an Easter party for under-privileged children of DeLand, and the Founder's Coronation Ball at which they crown their "Crescent Girl." Many social functions are held at the Lambda Chi House located at 220 West Minnesota, DeLand.

The big wheels meet.

March 1, 1909, is the founding date of Pi Kappa Alpha Fraternity at the University of Virginia. Since then it has grown to 128 chapters located throughout the United States with the Delta Upsilon chapter here at Stetson being founded on March 1, 1951. The flower of the fraternity is the Lily-of-the-Valley and the colors are Garnet and Old Gold.

The main events of the year are our Founder's Day Banquet on the first of March, Faculty Tea, Hootoon Island Party, Roman Holiday Party, and a fabulous Spring week-end.

The Pikes were presented a fire truck this year which has led parades, pep rallies, and many good times.

Pi Kappa Phi

Chi Chapter of Pi Kappa Phi was founded on the Stetson campus in 1921, seventeen years after the national fraternity was organized. Many traditions comprising this year's calendar of events were first adopted in those early years. The Freshman Beauty Contest, the Parade of Orchids, a Founder's Day Banquet, the Freshman Girls' Serenade, and "uncle gy-rack" have become annual activities.

Pi Kappa Phi also has a tradition of supplying the campus with outstanding leaders. This year Reynolds Allen serves as president of both Men's Council and Omicron Delta Kappa. Larry Richardson as president of the Liberal Arts school, and Danny

Allen holds the senior class presidency. Pi Kappas are well-represented in student government committees, religious organizations, and honorary fraternities. Brothers Rutan, Krause, Alderman, and Lanier are charter members of the Green Circle.

The Pi Kappas have done equally well on the athletic fields. Brothers Mueller, Borders, and Alderman earned starting positions on the soccer team. Last spring George Borders was selected All-State shortstop for the second consecutive year. In intramural football, the Blue and Gold finished second, while placing Burnette and Carter on the All-Star first team.

Hawley Ridenour plays it cool on a hot day.

Judge Blunt, Pi Kapp alumni and National Jaycee Vice-president, speaks at the Founder's Day Banquet.

Sigma Nu

Sigma Nu began its activities on the Stetson campus in 1913, as the first chartered national social fraternity at the University. The familiar chapter house on Minnesota Avenue was raised in 1923 and is an outstanding landmark to students and visitors alike.

The Knights of the Legion of Honor pride themselves on the leadership that the fraternity produces. Brothers Sucher and Ray are Co-Captains of the soccer team. Bill Schneider is Basketball Captain and President of the "S" Club. The Snakes boast basketball team members—Brothers Dompe, Miller, Eubanks, Hancock, Epting, Ward, and assistant coach Harbin. Fred Jefferson is SGA President, J.V. Basketball coach, and is listed in Who's Who. The President of the Junior Class is Brother Byrd Booth. The Business School holds as its officers Ross Wager as President, and Mark Cornelius as secretary, with

Pat O'Neal as Vice-President. Brother Gregory occupies the office of Treasurer in the Liberal Arts School. Brother Fulton is an outstanding leader in military, being a First Lieutenant in Scabbard and Blade and Commander of the Pershing Rifles. Chuck is also Social Vice-President of the SGA, Treasurer of ODK, and is listed in Who's Who. Many other brothers hold various offices in all phases of campus activities.

As a group, the Snakes claim the honor and distinction of holding the President's Cup for the past six years and look forward to another championship this year.

Sigma Nu — the Honor Fraternity — continually strives to maintain the ideals that the fraternity was founded upon, and regards its responsibilities and duties as a service in bringing a high quality of men and leadership to Stetson.

How now, oh Leader.

Why didn't I start studying sooner?

Sigma Phi Epsilon

The Florida Beta Chapter of Sigma Phi Epsilon, the second largest fraternity in the world, established itself at Stetson in February of 1949. Sigma Phi Epsilon National was founded November 1, 1901, at Richmond College in Virginia.

Constantly striving to promote scholastic ideals, Florida Beta is justly proud of its rank of first during the Spring Semester and second for its yearly average. Socially, the year is highlighted by the weekend and its "Queen of Hearts Ball" held in April. Also, prominent is the Valentine Dance held in February close to the anniversary date of the installation of Florida Beta Chapter into Sigma Phi Epsilon.

Sigma Phi Epsilon is justly proud of their SPE camp fund for the benefit of underprivileged children. Established in 1950, it was the first such project successfully administered by a National Fraternity.

Prominent alumni on campus are Richard Peake, Dr. John Vaughn, Dean E. C. Furlong and Graves Edmundson.

Dalton Epting

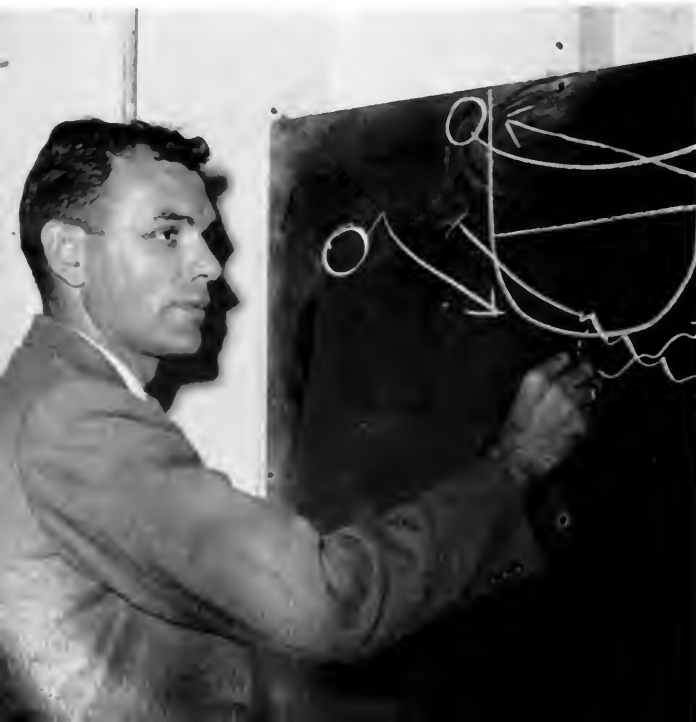

Charlie Warren

Under the most able leadership of head coach Glenn Wilkes and his assistant, Don Harbin, this year's Hatter basketball team has been making school history. Sparked by Joel Hancock, Dalton Epting, and Captain Bill Scheinder, together with newcomers Charlie Warren and Bernie McLaughlin, the Hi-Hatters are better than ever before. With the defeat of the University of Florida Gators, Stetson chalked up its first win against that team since 1954. This win resulted in tremendously boosting school morale, and a half-day holiday.

John Dompe

Head coach Wilkes figures out some Winning Basketball Strategy.

Highlight of this year's schedule include the Hatter Invitational Tournament and a trip to New Orleans. One of the most gratifying things, however, has been the school spirit shown at the games and pep rallies. The team has not only provided the school with a winning season, but has given the University's spirit a strong shot in the arm.

Soon after the second semester began, the Stetsonites were assured some vigorous activity taking place on the field in back of North Hall. The cause of all this activity was merely that the baseball team was getting in shape for the coming season. The crack of the baseballs against the bats and the encouraging shouts of the teammates was assurance that the team was preparing for a long winning streak.

Under the skillful guidance of Coach "Doc" Johnson, the team completed a very successful season. The team traveled all over Florida and south Georgia, but did not fail to thrill the fans here on campus.

Larry, you carry the pipe for awhile!

Director Garland H. Williams and Student Director, Charles Fleishman have successfully guided the 1959-60 intramural program into a prosperous year. The competitive spirit and co-operation among the teams has been excellent, which proves the Stetson men are proud of their large intramural program. Stetson offers the largest and best intramural program in the South, among schools in the college division. The most coveted reward is in the form of the President's Cup which is presented annually to the organization that compiles the highest point total in over-all intramural play.

The Men's Intramural Athletic Association has as its purpose to organize and direct a competitive sports program for all male members of the student body and to encourage their participation in wholesome recreation.

The various sports are divided into two general classifications: Group A (team sports) includes Touch Football, Volleyball, Basketball, Bowling, Softball and Track. Group B (individual sports) includes horseshoes, table tennis, badminton, cross country, paddleball, tennis and riflery.

Quoting Dr. Richard B. Morland: "The great athlete is made, not born." So is it with good intramural programs and the position that Stetson has achieved, unique among colleges of its size, did not result through chance. It was brought about through the combined efforts of an industrious intramural board, effective leadership, and most of all, through the enthusiastic cooperation of the student body.

An important part of athletics at Stets. is the Women's Intramural Program. An annual affair, the program is participated in by various organizations on campus. Every girl has a chance to join in the games through her membership in a sorority or in Independent Women's Organization. The girls com-

pete for the Women's Intramural Board trophy which goes to the group participating in and winning the most games, thereby compiling the highest number of points. A participation trophy is also given to the organization with the most members taking part.

GO TEAM

The cheerleaders have had much to do with the rising school spirit at Stetson. Their enthusiasm at the sports events and pep rallies have stimulated both the student body and the team. The most memorable and exciting event for this year was the midnight pep rally after Stetson beat the University of Florida in basketball. This has been a good year for the cheerleaders, as they have led Stetsonites in a continuing surge of Hatter spirit.

Long live our Comrades dear!

The Military program at Stetson looks to the future of our great nation by stressing general military subjects applicable to the Army as a whole with the aim of producing America's future military leaders.

Outstanding participants in the military program are selected for membership in Pershing Rifles, an honorary organization for freshmen and sophomores, or Scabbard and Blade, an honorary organization for upper-classmen.

One of the highlights of the year is the annual Military Ball. On military field day both individuals and units compete for awards.

ORGANIZATIONS

Hail, Alma Mater dear.

If you're part of **The Lonely Crowd**, and want to join a closeknit group, Stetson University is the place for you. Not only is it a small, friendly campus, but it offers to its students membership in dozens of groups, large and small, for interests ranging from scholarship to entertainment. For students with widely varied interests, membership in several groups is not infrequent.

To acknowledge those who rise above the crowd, and are worthy of recognition for their work and abilities, Stetson has honoraries including such fields as drama, history, the sciences, and music.

There are on Stetson's campus eight religious organizations; and for those who desire information and experience in their professional fields, such groups as the Florida Education Association exist to fill their needs.

The musically inclined are able to find satisfaction and give pleasure as well through membership in the Stetson Glee Club, band, and orchestra. Drama enthusiasts find excellent opportunities for developing their talents and for creative expression at Stover Theatre.

So it is seen that on this campus there is no individual who should feel lonely because his interest are not represented.

We of the Music Department give to Professor Harold M. Griffin a tribute on this, his 25th year as Glee Club director.

His famous comments — "If you can't dimenunde, conk out!" "You can be replaced!" — his traditional green cap — and his subtle remarks are just a few of the things that make him the wonderful and beloved "Prof."
